You don't often get email from karthiga.r@sliit.lk. Learn why this is important
[EXTERNAL EMAIL] This email has been received from an external source – please review before actioning, clicking on links, or opening attachments.
Share your draft proposal idea or any plan that you have for now. And moreover did you find you supervisor?
Thank you and Best Regards,

Providing children with good education is one of the sustainable development goals. There are many people both including children and adults who don't possess the basic requirements for their day to day communication. Thereby they are unable to improve their skills and develop themselves. Our application focuses on providing and assisting people with language courses primarily focusing on all three languages.
Our app covers all categories of people and it primarily targets children as they are the future of every household and country. The app covers all the categories of children including people with health conditions or impairments. The app is designed to provide the audio version or voice notes for the children who are blind. In addition to this, the ... Read more
